DANGERS FOR HUMANS AND THE ENVIRONMENT

Harmful to aquatic life with long lasting effects
 Other hazards:
 No risks worthy of mention. Please observe the information on the safety data sheet at all times.

PROTECTIVE MEASURES AND RULES OF CONDUCT

Avoid release to the environment.
 Dispose of contents/container in accordance with local/regional/national/international regulations.

Advices on general occupational hygiene: Always close containers tightly after the removal of product. When using do not eat, drink, smoke, sniff. Wash hands before breaks and after work. In case of prolonged or frequently repeated skin contact: Wear suitable gloves. Wear safety glasses; chemical goggles (if splashing is possible). BS/EN 166
 Observe restrictions to employment for juveniles according to the 'juvenile work protection guideline' (94/33/EC).

BEHAVIOUR IN CASE OF DANGER

Fire service: Suitable extinguishing media: Carbon dioxide (CO₂). Dry extinguishing powder. alcohol resistant foam. Atomized water.
 Unsuitable extinguishing media: High power water jet.
 Collect contaminated fire extinguishing water separately. Do not allow entering drains or surface water.
 Co-ordinate fire-fighting measures to the fire surroundings.

FIRST AID MEASURES

Doctor:
 112

General information: In case of accident or unwellness, seek medical advice immediately (show directions for use or safety data sheet if possible).
 Following inhalation: In case of accident by inhalation: remove casualty to fresh air and keep at rest. In case of respiratory tract irritation, consult a physician.
 Following skin contact: Gently wash with plenty of soap and water. In case of skin irritation, seek medical treatment.
 After eye contact: Rinse cautiously with water for several minutes. In case of troubles or persistent symptoms, consult an ophthalmologist.
 In case of ingestion: Rinse mouth thoroughly with water. Let water be drunken in little sips (dilution effect). Do NOT induce vomiting. In all cases of doubt, or when symptoms persist, seek medical advice.

DISPOSAL CONSIDERATIONS

Consult the local waste disposal expert about waste disposal. Non-contaminated packages may be recycled.
